Joanelle Williamson

Manager - Stella & Beau

I am Jo Williamson. My family consists of two adult sons and 5 grandchildren. Aside from my family, my loves are traveling, hiking, gardening, reading, interior decorating, art, socializing, the dining-out experience and others too numerous to mention.

Nearly 9 years ago I came to Colorado Springs as a transplant from Kansas where I enjoyed a 20-year career in education. My background is very diverse: Entrepreneur/Wedding Reception Catering business owner; Education Program Director and Administrator; Sales Associate for TAT Enterprises at Garden of the Gods Trading Post Gallery; Gallery Trainer and now manager at Stella and Beau Boutique, with a background and strong belief in marketing strategies and customer service.

The Avenue is a vibrant, beautiful place with a wonderful variety of shops and restaurants. It's a joy to call it my work home.
