SPACE RESERVATIONS

All spaces are outdoors. Exhibitor spaces are 10'x10', food spaces are 10' x 15'. If you were in last year's event, consideration of placement will apply. New vendors can apply and will be considered if received by deadline. Full payment must accompany all required forms and information. Vendors will not relocate or sell any merchandise other than outlined herein. **Vendor spaces may not be split, shared, resold or sublet.**

This is a juried event. Your products will be reviewed subject to availability. Jury fees are non-refundable. Incomplete applications will not be considered. **Provide 3 color photographs or color copies of photographs of your products, regardless of your repeat status. These will not be returned.**

CRAFTERS ~ provide a crafters statement to include who you are, what you make and how you make it. Specify your role in your work. Tell us about your craft, your process and your materials. Limit 200 words.

Confirmation and space assignments will be made before May 1. All vendor space/sales at Territory Days must be reserved through Pro Promotions.

Management reserves the right to stop or remove from the event any exhibitor, or his representative, performing any act or practice which in the opinion of the management is unacceptable or detracts from the dignity of the event. Exhibitors removed from the event under these circumstances will not be eligible for any refund.

CANCELLATIONS

No refunds will be issued for no shows. If you cancel, we will refund space rent **ONLY if we can re-book** your space. A \$35.00 cancellation fee will be applied and deducted from any refund money. Jury fee will be forfeited. Event shall be held rain or shine and **no refunds** shall be given after May 5th.

ATTENTION REPEAT VENDORS

Please list separately any desired changes or additions to your product line or menus. Note that any changes and/or additions must be approved as new items. This helps us protect exhibitors and keep a variety for festival goers.

INSURANCE REQUIREMENTS

Copy of Insurance Certificate(s) naming Old Colorado City Assoc, Ltd., **and** Pro Promotions, Inc as additional insured, for Territory Days May 22-25, 2020. Must be received by May 1, no exceptions.

If you have your own coverage, please have your agent send us the certificate as soon as possible.

IF YOU DO NOT HAVE YOUR OWN COVERAGE: Please visit the website at <http://tinyurl.com/TDays2020>. This is a direct link for this show only. The cost is only \$45.32. **This insurance is Non-Refundable.** Do not purchase before acceptance.

SALES TAX - NEW information included

All vendors are required to collect and remit sales tax on taxable items. Two licenses are required; State of Colorado & City of Colorado Springs:
<https://www.colorado.gov/pacific/sites/default/files/DR0589.pdf>
https://coloradosprings.gov/sites/default/files/temporary_sales_tax_application_jan_2018.pdf

Note: If you participate in more than one special event in Colorado Springs consider getting a regular sales tax license as opposed to a Temporary License.

Sales Tax calculation worksheets will be provided to vendors at the event. Current State of Colorado Multiple Event license holders can submit through your regular terms, with proof of Multiple Event License number. Current City of CS license holders can submit through your regular terms with license number.

SECURITY

We provide limited overnight security for all vendor spaces and will exercise reasonable precaution for the protection of the property of exhibitors, but assume no responsibility for loss or damage to the property of exhibitors. Small articles or displays should be put away nightly for safe keeping by exhibitors.

HISTORIC DRESS / MOTIF

All participants are strongly encouraged to dress in some type of pioneer/western/1800's period costume. This is a consistent theme that adds authenticity and fun to the event. If you do not dress each day, you may not be considered for acceptance next year.

NO DOGS ALLOWED BY CITY ORDINANCE.

Cooking and LPG Use at Special Events

January 2019

PURPOSE: To establish requirements for cooking operations within special events.

SCOPE: This document pertains to all special events whether public or private utilizing vendors which cook foods.

DEFINITIONS

Canopy A temporary structure, enclosure or shelter constructed of fabric or pliable materials supported in any manner other than by air or the contents it protects, which is open, without side walls or drops on 75 percent or more of the perimeter.

Cooking Booths - Those tents, canopies or other structures that are used solely for the purposes of cooking. No other uses permitted except the sales of the food cooked.

Temporary Structure - Any enclosure or shelter constructed of materials as described in the 2015 International Fire Code, as amended, and erected for a period of less than 180 days.

Tent - A structure, enclosure, or shelter, with or without sidewalls or drops, constructed of fabric or pliable material supported by any manner except by air or the contents it protects.

POLICIES

Cooking Booth/Structure

1. Cooking booths shall be grouped together in single rows, spanning 100 lineal feet or less in distance. See **Figure 1** on back. Groups of cooking booths shall be separated from all other non-cooking vendors by at least 20 feet unobstructed clearance in all directions unless otherwise approved.
2. If fire lane is required, it may be part of the 20 feet separation. No obstructions in or over the fire lane permitted.
3. There is no limit on the number of grouped cooking booths or where they are located within the event.
4. Gas, liquid and solid fuel-burning equipment designed to be vented, shall be vented to the outside air. Such vents shall be equipped with spark arrestors where required. Where vents/flues are used, all portions of the structure shall not be less than 12 inches from the flue/vent.
5. No combustibles within 10 feet of cooking appliances.
6. Tents shall have a permanently affixed label bearing the identification of size and fabric or material type.

Cooking Fuels

LPG

1. One cylinder per cooking appliance plus one cylinder (same size), additional storage, permitted for each cooking booth.
2. Safety valves on LPG cylinders shall be pointed away from tent/canopies/structures.
3. LPG cylinders shall be located outside of cooking booths (unless otherwise approved).
4. LPG cylinders shall be located remotely from all exits for each vendor as well as adjacent vendors.
5. LPG cylinders shall be uniformly and remotely located amongst each cooking vendor. See **Figure 2** on back.
6. Cylinders shall be protected against damage, tampering and other hazards.
7. Cylinders shall be securely fastened to a suitable object or to each other to prevent unauthorized movement.

8. No smoking signs are posted within 10 feet of the cylinders. Wording for signs shown in **Figure 3** on back.
9. Any individual vendor utilizing more than 125 gallons (water capacity) of LPG will apply for an LPG Permit and meet all applicable code requirements. The permit must be submitted and approved a minimum of 1 week before the event. Permit requirements are more restrictive than noted in this document. ***If during the inspection, a vendor is found to have more than 125 gallons (water capacity) of LPG, that vendor must immediately reduce the LPG to below 125 gallons or the vendor will not be allowed to participate in the event.*** To determine the amount of LPG being used, complete **Table 1** on back.

SOLID FUELS

1. All cooking that produces sparks or grease laden vapors shall not be performed within 20 feet of a tent unless otherwise approved.
2. A metal receptacle with a secure lid must be provided for the sole purposes of collecting hot ashes, smoldering coals, cinders, etc. This receptacle must not be used for general trash/rubbish.

Miscellaneous

1. One 2A: 10BC rated extinguisher required for any/all cooking activities (including food trucks within the event).
2. One, 1.5 gallon Class K (wet chemical) extinguisher, in addition to above extinguisher, is required for up to 4 cooking appliances utilizing solid fuels, or vegetable or animal fats and oils (including food trucks within the event). A 2.5 gallon pressurized water extinguisher may be used in lieu of the Class K extinguisher for solid fuels only.
3. Food trucks located within the event shall be equipped with a Type 1 hood above all cooking appliances that produce grease laden vapors.
4. Deep fat fryers must be provided with a metal lid to cover the hot oil in case of rain.

Owner/Operator Name	Signature	Date
Vendor Business Name (Printed)		

I, the above signee, am or represent a responsible party for the vendor stated above, acknowledge that I have read and understand the requirements contained within this document. Additionally, I understand that I am responsible for ensuring these requirements are adhered to. I also understand that not following these requirements may prevent my participation in this event and/or future events.
